		STATE	

## II. BUILDING OWNER

This facility is seeking a youth camp certificate or letter of compliance from the Maryland Department of Health, Center for Healthy Homes and Community Services. Please complete the information below and return the form to the camp operator listed above.

- ☐ The water supply is adequate, easily accessible to the campers, of a safe and sanitary quality and from an approved water supply system which is constructed, protected, operated, and maintained in conformance with applicable State codes and local subdivision ordinances.
- ☐ The sewage disposal system is installed, operated, and maintained in conformance with applicable State codes and local subdivision ordinances.
- ☐ The plumbing at this building is installed, protected and maintained in conformance with applicable State codes and local subdivision ordinances.
- ☐ The electrical system at this building is installed and maintained in conformance with applicable State codes and local subdivision ordinances.
- ☐ The building is constructed and maintained in conformance with all fire and safety code requirements and is approved by the State or county fire authority.
- ☐ The building or property meets applicable local building and zoning approvals.

The camp operator should be aware of the following problems.
